

Acquia Cloud Platform

Last revision of this Product Notice: [v1.1 – 17 May 2021 – hyperlinks updated]
 Prior version(s) of this Product Notice: [v1.0 – 25 January 2021 – initial versions]

This Product Notices describes the privacy relevant aspects of the above-mentioned Acquia product/services.

About the Product

Acquia Cloud Platform is a Drupal-tuned application lifecycle management suite with an infrastructure to support Drupal deployment workflow processes from development and staging through to production. Acquia’s customer creates, owns, and maintains their Drupal application (a website for internal or external use) and submits it to Acquia Cloud Platform for the aforementioned lifecycle management. For details about this Product, please refer to the Product Description available online at <https://docs.acquia.com/guide>
